

# INTERNATIONAL CONFERENCE ON CLEAN WATER, AIR & SOIL (CleanWAS) - UNIVERSITY MALAYSIA SABAH - 11-13 NOVEMBER 2022

## BACKGROUND

The aim of CleanWAS 2022 is to provide productive opportunities for academics and practitioners from interdis-ciplinary fields of Environmental Sciences to meet, share and take away expertise and ideas in related disciplines. The conference will bring together leading researchers, engineers and academician in the domain of interest from around the globe. CleanWAS 2022 offers interdisciplinary themes of quality R&D topical developments from potential contributors and experts and provides an opportunity in bring in the new techniques and hori-zons that will contribute to clean environment.

## CALL FOR ABSTRACT

Abstracts, not exceeding 250 words are invited under the following themes:

- Agriculture and Forestry
- Bioremediation
- Climate Change
- Ecotoxicity
- Energy Management
- Environmental Science
- Sustainability
- Recycling & Renewable
- Hazardous Substances
- Environmental Monitoring
- Environmental Health Issues
- Air, Soil, Hydrology and Water
- Carbon Capture and Storage
- Biodiversity & Biological Resources
- Human-Environment Interaction
- Natural Resources Management
- Oceanography and Marine Sciences
- Organic Environment Interactions
- Waste Management & Pollution Prevention

## ABSTRACT SUBMISSION

Abstract must be submitted online after registration as an author through the given link:

[https://docs.google.com/forms/d/e/1FAIpQLSeZgQyQ7CDM5Qn277AR3-vaajrriPHHtyR5f5JuzgDazmk7Scg/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSeZgQyQ7CDM5Qn277AR3-vaajrriPHHtyR5f5JuzgDazmk7Scg/viewform?usp=sf_link)

## IMPORTANT DATES

**June 15, 2022:** Early Bird Registration & Abstract Submission

**Aug 27, 2022:** Notification of Acceptance

**July 26, 2022:** Late Registration & Full Paper Submission

**Nov 11-13, 2022:** Cleanwas 2022 Conference

**Find more detailed information on our website:**
